Strategic Plan

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary

Respondent submitted an application for industrial disability retirement based on an orthopedic condition (right leg amputation above the knee). CalPERS determined that Respondent was ineligible for industrial disability retirement because he had been dismissed from his employment pursuant to the legal precedents set forth in *Haywood v. American River Fire Protection District* and its progeny. Respondent appealed this determination, and the matter was heard by the Office of Administrative Hearings on December 18, 2023. In an order dated January 5, 2024, the administrative law judge reopened the record for briefing on several issues. The matter was deemed resubmitted on February 2, 2024. A Proposed Decision was issued on March 1, 2024, granting Respondent's appeal.
